## Herreshoff Buzzards Bay 25

- Year: 1999
- Price: \$ 110,000
- Location: Brooklin, ME, United States
- Hull Material: Wood
- Fuel Type: Diesel
- Condition: Used

Extremely well built in 1999 by Damian McLaughlin, LUNA (ex. GOOSE) has benefitted greatly under her current ownership by thoughtful and continuing upgrades and yearly maintenance by the craftsman of Brooklin Boat Yard. Brand new (summer 2017) North Sails and the addition of a Facnor headsail-furling system is just the most recent example of the numerous improvements to LUNA since being purchased by her current owner. This is an excellent opportunity to acquire what many consider to be the finest example of the design work of NG Herreshoff in near-new boat condition. LUNA is in the water, rigged and ready to go.

### Principle Dimensions and Information

Designer: Nathaniel Greene Herreshoff

Builder: Damian McLaughlin

Year Built: 1999

Hull Construction Type: Cold-molded, Wood-epoxy

LOA: 32', 6"

LWL: 25', 6"

Beam: 8', 9"

Draft Minimum: 3', 6"

Draft Maximum: 6', 6"

Displacement: 7,400 lbs.

Sail Area: 539 sq. ft.

### Hull, Deck & Cockpit Construction

West System cold-molded, wood-epoxy hull construction.

Topsides and transom are (Awlgrip) painted Cloud White with Green anti-fouling paint below the

waterline.

Marine plywood decks and cabin top overlaid with fiberglass cloth set in epoxy and (Awlgrip) painted Desert Sand (light tan) in color.

Varnished mahogany toerails, taffrail, cockpit coamings, cabin sides, cabin back, companionway hatch slide and companionway louvered doors.

Cockpit sole is teak left natural (bare)

Cockpit seating is teak left natural (bare) and is a custom construction by Brooklin Boat Yard.

Chocks, cleats, padeyes, mushroom ventilator and other deck hardware are of fabricated and cast bronze construction.

### **Interior Accommodations**

Luna has a basic (sitting headroom) interior with just about everything needed to be able to spend a comfortable night or two aboard.

Furthest forward is a chain locker with a large opening allowing for easy access to stored anchor rode(s).

Aft of the chain locker bulkhead is a roomy V-berth platform which when fitted out with the boats cushions provides ample sleeping accommodations for two.

Between the aft ends of the V-berth(s) is a locker where the portable marine toilet is stowed hidden from sight when not in use.

Aft of the V-berth are comfortable seats both port and starboard.

To port, aft of the seating and immediately forward of the companionway door is counter and shelf space with the lift-out stainless steel sink and the sound-insulated engine box located inboard just to port of the center board trunk.

To starboard, aft of the seating and immediately forward of the companionway door is counter and shelf space.

Removable swing-out varnished mahogany doors and sliding varnished companionway hatch allow for easy access to the interior spaces and plenty of light and ventilation when open.

### **Propulsion and Fuel**

Single cylinder, 10 Hp Yanmar diesel engine in sound insulated engine box.

Yanmar ignition panel with tachometer and warning lights and sound alarm

Single lever transmission and throttle control

Stainless steel shaft with "Last drop" stuffing box

Three-bladed Max-prop

10 Gallon plastic fuel tank removable for off-boat fuel fill-up

### **Electrical**

12 Volt electrical system

Separate battery banks for ship's systems and engine

Two (2) 12 volt marine batteries

Perko battery selector switch

Sea Dog six (6) circuit electrical panel

Circuits for: Interior lights, Compass light, Instruments, Navigation lights, Mast light & Spare circuit

Solar panel for battery charging

### **Electronics and Navigation**

Ritchie helm compass

Standard Horizon CP300 GPS chartplotter

Raymarine depth sounder

## **Plumbing and Sanitation**

Lift out stainless steel sink basin  
Portable marine toilet

## **Spars, Rigging and Sail Control Equipment**

Varnished Sitka Spruce mast, boom & jib club  
Stainless steel wire standing rigging with bronze turnbuckle shroud tension adjusters  
Stainless steel wire running backstays with multi-part Harken block(s) and line tensioning tackle  
Harken track and car mainsheet traveler  
Harken track and car self-tacking jib traveler  
Harken blocks and cam cleat mainsheet system  
Facnor roller-furling headsail system  
Elk-hide covered boom strop with stainless steel eye rings.  
Multi-purchase Schaeffer block & cam cleat boom preventer  
Lewmar #16 single-speed bronze self-tailing winch (1ea) at port cockpit coaming for jib sheet  
Lewmar #9 single-speed bronze winch (1ea) at port cabin top for jib outhaul and jib halyard  
Lewmar #16 single-speed bronze self-tailing winch (1ea) at starboard cabin top for main halyard and reef lines  
Single rope clutch on port cabin top for jib halyard  
Triple rope clutch on starboard cabin top for main halyard and reef lines

## **Sails and Canvas**

2017 North Sails Mainsail with two reef points  
2017 North Sails Roller-Furling Jib  
2000 Downs Sailmakers Mainsail (with battens)  
2000Downs Sailmakers Jib  
Mainsail cover  
Cover for club jib (no longer in use)  
Interior V-berth & reading chair cushions

## **Ground Tackle**

Danforth anchor with (approximately 8ft) of coated chain.  
Double-braided nylon anchor rode (approximately 100')

## **Safety Equipment**

Masthead Tricolor light  
Air horn & spare air canister  
Kiddie Type BC fire extinguishers (2ea)  
Type II adult sized PFD's (3ea)  
Type II child sized PFD (1ea)  
Hand-held manual bilge pump  
Fixed Whale Gusher manual bilge pump  
Rule 360 GPH electric / automatic bilge pump with Rule float switch

## **Additional Equipment**

West Marine telescoping paddle  
Ship's ensign with varnished Mahogany flag staff  
Aluminum boat hook  
Wenoka dive knife  
Miscellaneous manuals and ships papers

Mechanical spares and fluids  
Fenders and dock lines  
Funnel (for fuel fill)
